RIN SAMNANG

COVER LETTER

Dear Sir/Madam,

I am writing to express my interest in the Flutter Developer position at your company. I am a recent graduate in Information Technology engineering from the Royal University of Phnom Penh, with a strong interest in mobile application development and hands-on experience with Flutter.

During my studies and personal projects, I have developed my skills in Flutter and Dart and gained experience building mobile applications. I am passionate about learning new technologies, solving problems, and continuously improving my development skills. I am also eager to apply my knowledge in a professional environment, collaborate with experienced developers, and contribute to your team.

As a fresh graduate, I am highly motivated to learn, adaptable, and committed to developing my career as a mobile application developer. I believe this opportunity would allow me to contribute my technical skills while continuing to grow through real-world experience.

Please find my attached CV for further details about my qualifications and projects. I would greatly appreciate the opportunity to discuss how my skills and motivation could contribute to your team.

Please feel free to contact me at +855-88-69-94-350 or samnangsamnang048@gmail.com for any further information.

Thank you very much for your time and consideration. I look forward to hearing from you.

Kind regards,

RIN SAMNANG
